**Verdant evaluates event funding requests based on the following four areas:**

<p><b><u>General Event Criteria</u></b></p> <p>Please describe the event, including location, date, expected attendance, event budget, and dollar amount requested.</p>	
---	--

<p>Keep in mind:</p> <ul style="list-style-type: none"> <li>- Event must take place in <a href="#">Verdant's service area</a>.</li> <li>- Event requests can be \$2,000 or less. Larger requests should utilize Verdant's health program/project funding application process.</li> </ul>	
<p><b><u>Health and Wellness Benefit</u></b></p> <p>Provides a tangible health and wellness benefit for community residents (ex. health screenings, immunizations, provide measurable outcomes/numbers served, etc.)</p>	
<p><b><u>Potential Marketing/Outreach Benefit for Verdant</u></b></p> <p>Large number of South Snohomish County residents attending and strong Verdant promotional opportunities.</p>	

<p><b><u>Extent to Which the Event is a Fundraiser</u></b></p> <p>Verdant’s funds must be clearly needed and can be linked to a health or wellness benefit.</p>	
---	--

Please keep in mind that events that are primarily a fundraiser, primarily serve attendees from outside of Verdant’s service area, or do not have a strong health and wellness focus with outcomes available to report are less likely to receive financial support from Verdant.

Verdant staff will review the responses to the four categories listed above and respond with any follow-up questions and/or a funding decision within 14 business days of receipt of this form.
